Details: National Drive It Day was created by the Federation of British Historic Vehicle Clubs in 2005. It is the occasion when historic vehicle enthusiasts and the public at large have the opportunity to celebrate the One Thousand Mile Trial organised in 1900 to prove the viability of the new invention, the motor vehicle.

The NSPCC's Childline service is the official beneficiary for Drive-It Day.

Don't forget to purchase your special edition fundraising plate via this link: <https://www.driveitday.co.uk/shop> to support Childline and proudly display it on Drive-It Day.
