This is a fabulous venue with so much to see and do. The Wildlife Park is home to Meerkats, Humboldt Penguins, Asiatic Lions, Morelet's Crocodiles, Red Panda and White Rhino, to name but a few. Why not bring the family along, as the kids will love it too?

You can bring along any unwanted MG bits and display them by your car.

Dogs are welcome on leads and picnics are fine. The Park also has many quality food outlets. No barbecues or stoves are allowed.
